Itinerary

Day 1: South Africa - Boston

Depart from South Africa on your flight to Boston, USA.

Day 2: Boston

On arrival in Boston you will be met by your local guide, and shown to your coach. Embark on a **half-day guided orientation tour** to get better acquainted with Boston. Later on, soak up the atmosphere at **Faneuil Hall Marketplace**, located in downtown Boston. Faneuil Hall Marketplace is as alive today as it was in 1742 when it was proclaimed as "The Cradle of Liberty". After your visit, finish off with a **two-course dinner (voucher included)** and enjoy the many food stalls. Afterwards, check into your hotel accommodation.

Day 3: MIT & Harvard

After breakfast, enjoy private **guided tours of MIT and Harvard**. Thereafter you will have the opportunity to attend a **private lecture at either MIT or Harvard**. This evening enjoy an optional performance by the Blue Man Group.

Day 4: Boston

After breakfast, embark on a **half-day guided city tour**, including a visit to the **MIT Museum**. Enjoy some leisure time this afternoon for exploring at your own pace.

Day 5: New Haven & New York

This morning, start making your way to **New York City**, stopping en-route at **Yale University**. Enjoy **lunch** in the **student dining hall** and then attend a **Yale Campus Tour**. On arrival in New York City this afternoon, check in to your accommodation. This evening you will have dinner at **Hard Rock Café** and finish off the day with a spectacular view from the **Empire State Building's 86th Floor Observatory**.

Day 6: New York

This morning you will be attending your **2nd educational lecture**. Then enjoy a visit to the magnificent **American Museum of Natural History** and the **Rose Center for Earth and Space**. At the heart of the Rose Center for Earth and Space is an **87-foot-diameter sphere that appears to float inside a glass cube**. Its upper half constitutes the **Hayden Planetarium**, which opened in 2000 along with the Rose Center for Earth and Space. It remains an enduring beacon of astrophysical education, as was its predecessor, which opened in 1935. Finish off today with visits to **Times Square**, **Central Park** and **5th Avenue**.

Day 7: New York

Another busy day in the Big Apple. After breakfast, enjoy a **full day of guided tours** and interesting excursions. First on the agenda is a **round-trip cruise to Liberty Island** for impressive views of the **Statue of Liberty**. You will also be visiting the **9/11 Memorial**. Then attend an informative **private lecture at Columbia University**.

Day 8: Washington

This morning you will be transferring to **Washington**, stopping en route at **Princeton University** to enjoy a **private walking tour**, including the **Genius Neighborhood**. This evening, enjoy a sumptuous **three-course dinner at UNO Chicago Grill**.

Day 9: Washington

This morning you will be visiting the incredible **Arlington National Cemetery** as well as participating in a tour of the **US Capitol Building** (subject to approval). In 1864, US Secretary of War Edwin M. Stanton officially designated Arlington Mansion and two hundred surrounding acres as a United States military cemetery. Today, more than 300 000 people are buried at Arlington Cemetery. Later this afternoon you will be visiting the fascinating **International Spy Museum**. Come face to face with spies and spymasters, gadget makers, scientists, and engineers from past and present. Afterwards, enjoy some shopping at the **Fashion Centre at Pentagon City Mall**.

Day 10: Washington - South Africa

After breakfast, you will transfer to the airport for your journey back home to South Africa.

Day 11: South Africa

Arrive in South Africa after a wonderful, enriching and educational tour of the United States of America.

Optional Add-On 3 night Orlando Add-On!

- Full day tour at NASA
- Universal Studios (both parks)
